

FUGUE PLANE AND CITY OF JUDGEMENT

● *Crystal Spire: Tower and residence of the deity Kelemvor "Lord of the dead"*

◻ *Living Wall: The souls of the faithless is added to the living wall surrounding the city until substance and consciousness is dissolved*

Baatezu devils try to convert Souls to Pledge to The Nine Hells and then can call these souls to their realm

Tanarri Demon lords once in a while open a Portal to The Abyss Plane and try to steal Souls and bring them to their realm

Fugue Plane is the plane where all souls travel after death
A part of the Fugue plane is occupied with The City of Judgment

– the realm of the deities **Kelemvor Lord of the Dead** and **Jergal Scribe of Doom**

All souls are divided into 3 categories:

1. The faithful and Divine souls – The wait in the Fugue plane until called upon by the agents/servants of the other Deities and is taken to the respective planes
2. The Faithless – These souls are forced into the City of Judgment where Kelemvor sentence them to be added to the living wall
3. The false (betrayed their god) - These souls are forced into the City of Judgment where Kelemvor sentence them to eternal punishment in the city
