## LEGAL SETS

Revised 40 decks may consist of cards from the following sets:

Revised / 3rd Edition

Revised FWB (French, German, and Italian)

Revised FBB (French, German, and Italian)

Summer Magic / Edgar

Artist Proof versions of these cards are also legal

## MANA BURN STILL HAPPENS

When a phase ends (but not a step), any unused mana left in a player's mana pool is lost.

That player loses 1 life for each one mana lost this way. This is called mana burn.

Mana burn is loss of life, not damage, so it can't be prevented or altered by effects that affect damage.

This game action doesn't use the stack.

Lord of Atlantis counts as a merfolk and can give +1/+1 to another Lord of Atlantis.

The ability on Fungusaur will trigger whenever damage is dealt, not at the end of turn.

All Interrupt cards are Instants.

The ability on Howling Mine and Winter Orb does not trigger if they are tapped

USE THE CURRET ORACLE TEXT FOR ALL CARDS
